

This is the time to sit down with someone from your placement to see how things are going. Before the meeting you might want to ask yourself these questions which you can then discuss...

- **What tasks have I carried out?**
- **What have I enjoyed the most?**
- **Is there anything I don't like?**
- **Are there any areas where I would like help to improve or find out more?**
- **What services have I provided for the community or service users?**
- **How have they benefitted?**
