Volunteer Programme Review - Made Easy!

Nothing complicated, no assessment criteria, no formal interviews. Just a good old-fashioned chat over a cuppa!

This review is designed to be a gentle, informative and easy process. Get up to three hours of one of our highly skilled and qualified volunteering experts to chat through a few key questions.

The expert staff at Volunteer Now Enterprises Ltd will facilitate the conversations, teasing out the positive points and establishing the barriers or blockages to success. A short report then outlines our findings and suggestions for the way forward. Easy! Now go get that kettle on!
