Lisburn Outlook - Tandem Pilot & Sighted Guide

Tandem Pilot - Tandem cycling is a great way to remain healthy and get involved with blind and partially sighted people in your local area. The volunteer pilot rides on the front, while the blind or partially sighted person (the stoker) pedals behind. You will regularly participate in cycle rides of different lengths with local stokers and describe the scenery as you cycle both urban and rural routes.

Walking Group Sighted Guide - Outlook hopes to make social, recreational and cultural events in the Lisburn area more inclusive – can you help by guiding participants with sight loss? You will act as a sighted guide on walks (generally no more than three miles on paved surfaces); and/or as a guide at events, providing commentary and description. If interested email: Lisburnoutlook@gmail.com
