Age NI - Check In and Chat Volunteer

Our Check in and Chat service was launched in April 2020 as a result of the current Covid-19 situation. Check in and Chat provides older people with the opportunity to have a weekly phone call from a dedicated Age NI volunteer. These phone calls are proving to be so vital in supporting people who are now feeling more isolated and lonelier than ever. Volunteers make a weekly telephone call to a local older person, engage in meaningful conversation and provide company and a friendly voice to someone who may be isolated and lonely.
