Concern Worldwide - Shop Volunteer (Newtownabbey)

Volunteering in our Concern Shops can be very rewarding. It doesn't matter how much time you have to offer, but by contributing a morning or afternoon each week, you would make a real difference to the lives of people living in extreme poverty. By volunteering, not only will you help raise valuable funds for Concern's work, but you will also build new friendships, learn new skills and have some great fun! Tasks include operating the till, receiving stock donations, preparing and pricing stock for the shop floor, tidying and maintaining the shop floor and assist with window display. Home-Start Antrim - Trustee

Home-Start Antrim is looking to recruit a trustee that will serve on their Board to support the management and administration of the organisation. This is a fantastic volunteering opportunity to support your local community and allow you to develop new and existing skills. Without the oversight and governance of committed trustees it would not be possible for the staff and support volunteers to make the positive and lasting impact on young families that they do! Why not be part of a team that makes it possible for a young parent to have the support they need to build a good foundation in their children's lives. Home-Start Antrim, established over 30 years ago, continues to make a difference in the lives of many young families and this has only been possible because staff, trustees and volunteers alike all play their part. Responsibilities of the role include:

- ◇ Attending a minimum of 4 meetings per year
- ◇ Commitment of 10 hours per month
- ◇ Support fundraising and attend charity events
- ◇ Provide leadership within the Home-Start ethos
