

# Unemployment in Lockdown

feeling?

scared...      lost...  
angry...      unappreciated...  
deflated...      grief... what now?  
                  worried...

## Manage thoughts and emotions

### ACCEPT YOUR FEELINGS

ACCEPT THAT WHAT YOU'RE FEELING IS NORMAL. GIVE YOURSELF CREDIT FOR DOING THE BEST YOU CAN UNDER THE CIRCUMSTANCES.

### MAINTAIN PERSPECTIVE

KEEP IN MIND THAT STAFFING DECISIONS ARE RELATED TO THE COVID-19 PANDEMIC, NOT YOUR WORTH.

### ACKNOWLEDGE GRIEF

ADDRESS FEELINGS OF GRIEF AS YOU WOULD WITH ANY OTHER LOSS.

### SEEK OUT RESOURCES

GETTING HELP WITH BASIC NEEDS EG. FOOD AND SHELTER CAN REDUCE THE STRESS OF UNEMPLOYMENT

### FIND YOUR VALUE

LOOK FOR NEW WAYS TO REALISE YOUR CONTRIBUTION TO THE WORLD AROUND YOU. MAKE LISTS ABOUT WHAT YOU CARE ABOUT, WHAT YOU'RE GOOD AT ETC.
