*Thank you for Volunteering at the Vaccination Centres,
You have made Such a difference!*

Thank you for
letting me share
my concerns

Powerful job
and to keep up
the good work

You have been
excellent and
provide a very
valuable service

I'm just so happy
to be finally
getting the vaccine

I'm so
excited
I could dance

Thank you
for your
service

Volunteer Feedback

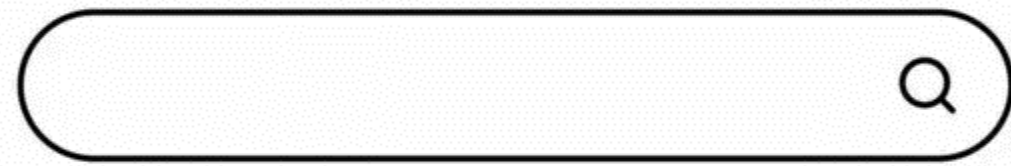

- ✓ 86% said they felt supported during their shift
- ✓ 95% said overall volunteering experience was excellent or very good
- ✓ 98% said they would recommend volunteering to others

"The majority of people who got vaccinated really appreciated the work volunteers were doing at the centres and giving up our time to help out."

"I loved being there, it made me feel like I was doing something worthwhile by communicating and helping others. To put a smile on someone's face, even though they were afraid of what they were about to do."

"One elderly lady attending the clinic told me I was the first person she had spoken to in a year."
